From Our Administrators

Dear West Friendship Families,

Maryland weather seems to be steadily improving, and that means we all have increased opportunities to get outside. With outside dining and recess becoming more available, we need your help. Please have a conversation with your child regarding behavior expectations. Students should be actively engaged in positive individual, cooperative, and group activities that are collaborative and display teamwork. Interactions should be positive and emphasize friendships. Physical contact or unkind behaviors exhibited with the purpose of making someone else feel bad is not acceptable and we need all our students to be **Respectful**, **Responsible**, and **Ready** to learn. Thank you for your help with affirming these expectations.

We are very excited about the WFES PTA Sponsored Read-a-thon that began last Sunday! The read-a-thon continues through Sunday, March 13th. It is not too late to join in, and we encourage each and every student to register for the online Read-a-thon platform, <https://www.read-a-thon.com/readers/r/SrKuMR/1>. While raising funds is not required to participate, the Read-a-thon is a fund-raiser for the PTA. If you will be collecting donations, please have donors make checks payable to **WFES PTA**.

Please help your child log their reading minutes and join in the fun and rewards. There is a rumor going around that a certain administrator may kiss a special farm animal if WFES students collectively read a total of 75,000 minutes! We challenge every student to read and log at least 20-minutes per day!

Thanks to your ongoing support of the PTA and its Staff Appreciation Committee, West Friendship's amazing bus drivers were greeted on Tuesday morning with delicious breakfast gift bags in honor of Bus Driver Appreciation Day! The bags were stocked with fresh fruit, pastries, snack bars, nuts, cheese, water, and juice. We love our bus drivers and are grateful they "go the extra mile" to keep our students safe each day!

We wish each and every one of you a happy, relaxing, weekend!

Yours in Education,

Kaye Breon, Principal

Brian Vanisko, Assistant Principal

- April 27, 2022

Outdoor Dining and Outdoor Recess

When we are able, we will offer outdoor dining during the winter months. We will also have outdoor recess whenever we can. Please have your students wear proper winter weather attire (coats, hat, gloves, etc.) so they are prepared for outdoors. The following factors are considered in determining if recess is to be held outside:

- Temperature and humidity
- Wind chill
- Heat index and air quality
- Age of students
- Length of time outdoors
- Adequacy of the children's clothing
- Condition of the playground
- Falling precipitation (more than a sprinkle or mist)
- Thunder and lightning

Generally, it is assumed that students will be outside for recess when the temperature combined with the wind chill is not less than 20 degrees Fahrenheit or the heat index reading is less than 95. Children with certain health conditions may need special accommodations during extremely hot or cold weather. Parents of those children should provide medical documentation and may be consulted to determine if other arrangements are necessary.

Masking Update

Masks will be optional for students, staff, and visitors starting tomorrow, March 1st, both in school and on the school bus. We will continue to have disposable masks on site for those that need them and for those who need to visit the health room, where masks are still required.

Masking for individual students is at the discretion of each family and should be discussed at home. Each student should be clear on the individual family expectation in order to manage their own masking during the school day. Parents may want to provide daily reminders to their child about their masking expectations. Staff will not be reminding individual students to put on masks or to wear masks based on parent preference; individual family masking preference is not a task that staff will be able to manage on a daily basis.

Early Dismissal Procedures

If you need to pick up your child early for an appointment that is close to the end of the school day, **please do so before 3:30pm**. After 3:30 pm, it is very difficult for our front office staff to get students while assisting with dismissal procedures. We appreciate your assistance with this! Thank you!

HCPSS Emergency Closing Notifications

In times of emergency/weather closings or delays, information is shared through our website, email, and text, Twitter and the HCPSS weather hotline. The school system's operating status can always be found on the [HCPSS Status website](#). [More information about Emergency closings and information sources](#) is provided online.

From our Health Room - Daily COVID-19 Self-Screenings

All parents/guardians are to perform a [COVID-19 health check](#) every day before your student leaves home. Students are not to come to school if they are experiencing any [symptom\(s\) associated with COVID-19 or other communicable disease](#).

We thank you for keeping your children home when they are experiencing various illnesses. If you are unsure, please do not hesitate to contact the health room, by calling 410-313-5515 or email school nurse at [Elizabeth Collora@hcpss.org](mailto:Elizabeth_Collora@hcpss.org). If you want to test your child, please don't go to the ER unless the child is having difficulty breathing. [mobile covid testing sites](#)
