## **Wanted: Halloween Candy**

The WFES Staff Community Outreach Committee and WFES PTA would like to take your excess Halloween candy off your hands and donate it to our military troops, locally and overseas. Collection will be one morning only, Friday November 2. We will be collecting candy on the buses during morning pick up and at Circle Drive during drop off. Please be sure to separate your candy into 2 labeled bags – “meltables” and “non-meltables”. The meltables cannot be shipped overseas. Questions? Contact Kathy Baur at [katherine\\_baur@hcpss.org](mailto:katherine_baur@hcpss.org)

## **Elementary Safety Protocol - After School**

Parents with children in the HCRP aftercare program and any after school activity, please take note: For the safety of our staff and students in after school programs, the doors at West Friendship Elementary will remain locked after school. If your child is in an after school activity, you must wait for your child outside. The program activity staff will walk the children to the front doors and dismiss them to their parents/guardians at the end of their activity. If your child is in our regular after care program, you will ring the bell at the cafeteria door to pick-up your child. This is the same as the before school procedure.

Also, please understand that teachers lock their classroom doors when they leave for the evening. Parents and students will not have access to the school or classrooms to retrieve forgotten items such as homework or instruments. It is important that you help your child to learn ways to remember to bring home all needed items.

## **All Visitors Must Have a Driver's License or State Issued Identification**

All visitors to West Friendship Elementary, who are not employees of HCPSS, must bring their driver's license to sign into the LobbyGuard system. LobbyGuard uses visitors' driver's licenses or state issued identification to complete background checks. In the event of an emergency, it is crucial that we account for every visitor in the building. This is for student, staff, and visitor safety. Staff at Central Office are able to access our LobbyGuard visitor list should we have to evacuate the building. Thank you for ensuring that you bring your license with you when you visit WFES!

## **Notes from the Nurse:**

As we enter into flu season, this is a reminder that frequent handwashing with soap and water or hand sanitizer is the best way to prevent the spread of disease. Many people catch the flu from infected people who are coughing and sneezing. Please teach your child to use a tissue or a sleeve when they have these symptoms.

<b>Cold: Develops over a few days</b>	<b>Symptoms:</b>	<b>Flu: Develops very quickly</b>
May sneeze more often	Sneezing	
Sometimes	Headache	High probability
High Probability	Sore Throat	Not common
Not common	Fever	High probability
Not common	Chills	High probability
Minor	Aches	Severe
Mild	Fatigue	Severe
Heavy/moderate mucous	Cough	Small amount of mucous
Common	Nasal Congestion	Uncommon
Mild	Chest Discomfort	Severe

- **Fever policy:** Keep your child home if she/he has a fever over 100.0. If your child has a fever at school, they must be picked up. Students may not return to school until their temperature is less than 100.0 for 24 hours without the use of fever reducing medications. A fever indicates that your child has a contagious infection.
- Please notify your child's teacher and/or the school nurse if your child is absent with a contagious illness such as strep throat or the flu.
- If the doctor prescribes medication for your child, please make sure he/she takes it as directed-which means the right amount at the right time and without missing doses.
- Make sure your child is getting enough sleep. 9-11 hours of sleep is recommended for school age children.
- We encourage you to send in a refillable water bottle labeled with your child's name every day. Please remind your child not to share.
- You may send in cough drops with a parent note. They will be kept in the health room.
- Students may keep lip balm in their backpacks for use during the school day. Please remind your child not to share.

Please contact the Health Room with any questions or concerns.
