School News

Thank you to the many parents and volunteers who are present during these busy remaining weeks of school. WFES students have had a number of great experiences these past weeks! Gifted/Talented Teachers, Mr. Crivelli and Mrs. Walker organized our "Night of Excellence" on May 23rd. We thank them and the many students who worked hard putting together an informative evening.

Next we had an amazing Spring Festival! Thank you to the WFES PTA Spring Festival Co-Chairs, Mrs. Bonier and Mrs. Grutzik and to the numerous parent volunteers who made this event possible. Spring Festival is a huge event that requires a tremendous amount of planning. Thanks to the combined efforts of many, our students had a great time last Friday evening!

We enjoyed the Spring General Music Concert this past Tuesday evening. The concert featured all Second Grade students, Fourth Grade Chorus students, Fifth Grade Percussion Ensemble members, and Advanced Chorus members. Thank you to General Music Teacher, Mr. Richard Umla and all the student performers for a wonderful evening of musical entertainment.

Thanks to our wonderful parent volunteers, each grade level has or will soon experience an informative day of STEM (Science, Technology, Engineering and Math) presentations. Parent volunteers are generously giving of their time to present activities to our students. This is a wonderful opportunity for students to see things they have learned in science and math be integrated into careers.

We look forward to seeing you on Wednesday, June 6th at 6:00 p.m. for the Spring Instrumental Music Concert featuring our Strings and Band students. Thanks to Band teacher, Mrs. Syversen and Strings teacher, Mr. Diener, and the dedication of our students, we will enjoy a terrific concert.

Thanks to all the WFES students and families who items for the Samuelson Children's Hospital at Sinai. The assortment of new games, crafts, and toys will certainly provide entertainment and enjoyment for the pediatric patients. Thank you for your generosity!

School Counselor, Mrs. Carita Carlyle has organized Move Up Day for our students on Thursday, June 7th from 10:00 to 11:00 a.m. Move Up Day is a time designed for students to move up to their next grade level. The purpose of Move Up Day is to:

- Give students the opportunity to learn about next year's program
- Reduce anxiety by answering student's questions about next year

Please keep this date in mind. As always students should arrive to school on time so they will not miss this activity.

Grade level student activities will take place in the coming weeks. These are fun activities for WFES students. Thank you to the Room Parents for assisting and organizing these activities. Your support is very much appreciated by our students and staff.

The last three days of school, June 15th, 18th and 19th will be 3-hour early dismissal days. Please remember to send notes to school if your child is to follow a different dismissal arrangement. Telling a student of a

dismissal change is not satisfactory. **Notes must be sent to school if you wish for your child to be dismissed to Circle Drive.** Please **do not email** this information. This practice is never acceptable, especially during the hectic year-end activities. Class schedules are different and staff may not have time to check their email. In addition, please do not request or arrange for students to ride buses other than their own assigned bus. These requests will be denied!

Tissue Donations

The school year is almost over, but allergy season is here! Donations of facial tissues are greatly appreciated. **Please send tissue donations to the office** so they can be distributed to areas where needed. Thank you!

WFES Yearbook

As of today, we have 7 yearbooks remaining to be sold. We will take orders for these remaining books on a first come, first serve basis. After they are gone, you may still order yearbooks directly from Strawbridge Studios. The telephone number is 1-866-624-6229. There will be a \$7.00 mailing charge for each order. Girls on the Run

Attention Parents of Rising 3rd, 4th & 5th Grade Girls:

I am trying to gauge interest in restarting a Girls on the Run (GOTR) program at West Friendship. It has been a few years since we've had one. I think it would be great, but I need to make sure that there is enough interest and volunteer support to make it happen.

- Volunteer Coaches: Each team must have 3-4 coaches. All coaches must attend a GOTR training session.--Ideally, I'd like to have 4 coaches so that each coach only has to attend one session per week.
- Team Size: We must have a minimum of eight girls and a maximum of 20 for GOTR
- Practice Schedule: Practices would be 2 weekdays per week, directly after school
- Fees and Financial Aid: \$150 per 10-week season. Partial needs-based scholarships are available based on the Free and Reduced Meals Program (FARMS)
- Dates: Fall Season--which usually begins the 3rd week of September

If we don't have enough interest to do the Fall, we could do the Spring instead. Let me know if you have a strong preference between the two seasons. The 10 week Spring season usually begins the 3rd week of March

General Overview: Over a period of 10 weeks, girls in the 3rd through 5th grade participate in an after-school program like no other. Designed to allow every girl to recognize her inner strength, the Girls on the Run curriculum inspires girls to define their lives on their own terms. Throughout the season, the girls make new friends, build their confidence and celebrate all that makes them unique.

The Girls on the Run lessons encourage positive emotional, social, mental and physical development. Participants explore and discuss their own beliefs around experiences and challenges girls face at this age. They also develop important strategies and skills to help them navigate life experiences. We start with helping the girls get a better understanding of who they are and what's important to them. Then, we look at the importance of team work and healthy relationships. And, finally, the girls explore how they can positively connect with and shape the world.

Physical activity is woven into our program to inspire an appreciation of fitness and to build habits that lead to a lifetime of health. At the end of each three month session, the girls participate in a Girls on the Run 5K event. This celebratory, non-competitive event is the culminating experience of the curriculum.

Please let me know if you'd be able to commit to coaching and/or if your daughter would be interested in participating. I will send additional information to those who respond once I determine if having GOTR is feasible.

Thank you so much,

Ashley Royle ashleyroyle@yahoo.com
