HAVE A SPECTACULAR SUMMER!!

Mrs. Steger, the entire staff, and I wish all of our students and families a safe, relaxing, and wonderful summer vacation. We hope you have many opportunities to relax, and remember to read, write and practice your math skills! Have a super break and we look forward to seeing everyone on Monday, August 24<sup>th</sup>!

The following are *free on-line resources* that we highly recommend for students:

- HCPSS Family Mathematics Support Center offers resources for k-12 students. Go to <http://hcpssfamilymath.weebly.com/>, and click **Elementary Math**.

- XtraMath offers math fact practice for students in grades 1-5 who have already learned specific strategies and need practice to become more fluent. Go to <http://xtramath.org/> and click **Get started for parents**.

- TenMarks offers a free, individualized summer math program for grades 1-Algebra 2. Students take a diagnostic assessment and parents can set custom rewards to motivate their children. Go to <https://www.tenmarks.com/consumer/signup> and complete the **Quick, Easy Registration box**.

As always, please do not hesitate to contact us should you have further questions. We welcome the opportunity to support you in engaging your child in summer math learning and fun!
